CAPABUNGA®

Wine Country Living

“ California’s wine country is a very special place and we have been thrilled to call it home for nearly 30 years. The abundance of gourmet food and wine, as well as the proximity to the Pacific Ocean and the beautiful climate is unmatched. It is also fertile ground to invent and create inspired, unique and functional products designed to bring wine country living into your home. We hope the wine country lifestyle we experience translates to your home when you shop, cook, dine and entertain. ”

Cheers,

Maire & Walt
